

A Word from our
Head of School

As I got up on Friday morning and looked out the window to see the snow covered trees and ground, I was reminded of the cleansing we have received through Christ Jesus our Lord. Wash me and I will be whiter than snow the Psalmist said. As I continued to look out at the beauty of the snow, the town plow truck came by and pushed a pile of dirty snow with salt and sand into the entrance of my driveway, dirtying my Norman Rockwell scene. Then it snowed some more and covered the nasty slushy mess with more white snow. How often do we drag up old sins and wounds that the Lord has taken care of. "But God", with His mercy and unconditional love, forgives us and makes us new again. Praise the Lord for His gift of salvation and continued purification that we can experience in our lives.

Have a wonderful week!

Of course gloves, hats and coats are important as well. Also we would like all students to have indoor shoes to help keep the classrooms clean and dry.
