December 2022

The Lord is good and His blessings are never ending. How amazing it is to be part of the Lord's school, Pen Bay Christian! We have seen His goodness in so many ways this year from the blessings of incredible students and teachers to so many needs being supplied and most of all to see the Lord moving in student hearts to follow after Him.

The year began with an exciting and busy summer as Midcoast Christian Academy merged with us to form a full high school. We welcomed several new teachers as we added all the academic classes needed as well as shop, life skills, agriculture and technology classes. This year we will have the first ever 12th grade graduating class from PBCS. We are so excited to see how the Lord will continue to bless the growth of our high school and ask that you join us in prayer for more classroom and facility space.

One of the blessings of having a small Christian school is the opportunities for older students to mentor the younger children. This year we are focusing on reading together and many students from 4th-12th grade spend time every week reading with K-3rd grade students. It has been wonderful to see how our older students have taken the younger ones under their wings and are mentoring them in so many ways.

The biggest blessing this year has been seeing the Lord work in the lives of several of our student and staff families. He has answered so many prayers and we have seen miraculous healings and hearts changed. How incredible it is when children's eyes are opened to the working of the Lord, not only in their lives but also in the lives of others.

I want to thank you for your continued support of Pen Bay Christian School both financially and especially through your prayers. Please pray that we will continue to be a light in the dark and follow the Lord's leading in our service to Him.

May you have a very Merry Christmas and a blessed New Year.

In His Service

Rich Lowell
