

A Word from our **Head of School**

This year, as a school, we have memorized Psalm 23 and 100. Both of these Psalms give encouragement about who the Lord is and what it means to be in His Kingdom and praise His name. We are continuing that same idea with the blessings of dwelling in the Kingdom of God...the Beatitudes (Matthew 5:3-12). These are not things that we do in order to earn favor or membership into the Kingdom of God, but Jesus' explanation as to the characteristics of the Kingdom of God. You see the things that the world often views as weaknesses and setbacks, God uses as opportunities to show His holiness and to offer grace. How great is His eternal love and compassion for us. I pray that you will know the power of the Lord and His saving grace. Please join us as we memorize this passage of scripture together.

Have a wonderful week!
