

A Word from our

Head of School

So thankful for Godly mothers!

Proverbs 31:25-28

She is clothed with strength and dignity;
she can laugh at the days to come.
She speaks with wisdom,
and faithful instruction is on her tongue.
She watches over the affairs of her household
and does not eat the bread of idleness.
Her children arise and call her blessed;
her husband also, and he praises her:

Happy Mother's Day!

Have a wonderful week!

Summer School

We will be offering Summer School again this year. Summer School is for children entering grades 1-12 for the purposes of enriching education, catching up on material or completing a course to enter the next grade. We focus on math, language and reading. Summer School will be for 6 weeks from the week of July 3rd through the week of August 8th. 2 to 4 day programs may be available depending on interest and grade level. The cost for Summer School is \$10/hour. Forms and more information will be available on the School Website on Tuesday this week.

Announcements

Early release this Wednesday.

Jostens sent some extra yearbooks.

There are a few in the office for \$30 on a first come first serve basis.

Chapel will be combined this week on Friday for the Patriotic Program dress rehearsal. This is a great time to see the program with a smaller crowd. PreK will not be part of the dress rehearsal but will be part of the program on Friday night.

Students need to be in their classroom by 5:45pm on Friday night for the concert.
